* To select a date/time, find the date, time, & job you wish to work and click on the "sign up" button

NOTE: If there is NO "sign up" button for that date/time/job visible, this means that the session is full. You must select another option.

* This will then bring you the page for that session

- You will see a section that reads "Sign me up for:" and then the session box is below

- ** The first box reads the date/time/ job of the session you wish to work

- You are NOT allowed to work during the time your child competes
- If you have someone working for you they MUST BE: 16+ years old, and able bodied

* Below this box, it asks you whether or not you are a member of signup genius. You will need to select the one that is appropriate. Sign up Genius requires that everyone create an account

- If you are member select that and it will prompt you to enter your email and password

- ** Once you log in it will say "You are logged in as..."
- ** Below this there are two check boxes. Check the one that say "send me a confirmation email".
- ** This will send a confirmation of your session you signed up for.
- ** If you do not select this, a reminder confirmation will NOT be sent.

- If you are not a member, you will be required to fill out your name, email address and select a password.

* Go to where it says "Additional Info:"

* Lastly, review to make sure all of your information is correct. If it is, then click on the "sign up" (red button)

5. Confirmation Screen and Return To Sign Up

* The next page is a "thank you" page confirming the session. To continue to make selections depress the "return to sign up" button – in red at the bottom.

- Please keep in mind that you are only allowed to sign up for one person to work set up and tear down. For the other three work sessions, you can have three people work at the same time if the time slots are available.

- Again, you are only allowed to sign up for your family. This site is monitored and we will know if you try to sign up for more than your family session commitments.

QUESTION:

WILL I GET CONFIRMATION OF MY TIME?

ANSWER:

Yes. You will receive an email confirmation from Sign Up Genius ONLY if you select the feature - iCalendar. The email will come from "info@signupgenius.com". If you do not select this option then you will not receive a confirmation email. You must select this for every session you sign up if you wish to receive an email confirmation.
