In order to financially support our gymnasts, our main fundraisers are gymnastic meets hosted by the Olympia Gymnastics Booster Club (OGBC). OGBC is a non-profit, 501(c)(3), organization requesting donations from local businesses.

OGBC is hosting the 7<sup>th</sup> Annual Athlete Warrior Challenge, a gymnastics invitational meet held at the Macomb Community College Athletic Center, January 27<sup>th</sup> thru January 29<sup>th</sup>, 2017. This event features approximately 1500 gymnasts from across the United States and Canada during this weekend, along with their coaches, families and guests.

Additionally, OGBC will be hosting the State Meet for levels 3 - 6 at the Premier Sports Center in Shelby Township, Michigan. Over 1400 gymnasts from around the state of Michigan are anticipated to compete at this event over the weekend of April 28<sup>th</sup> thru April 30<sup>th</sup>, 2017.

Our hope this year is to have these events be even more successful than the past, and in order for this to happen, we are asking for your support. Donations being requested are gift cards, pop, water, raffle items, flowers, baked goods, and of course, monetary sponsorships.

Anyone making a donation will be provided with a receipt for the cash value of their donation for tax purposes. Please contact Nancy Kolinski at 586.557.5345 or at [nancykolinski@olympiabooster.com](mailto:nancykolinski@olympiabooster.com) with any questions.

**Thank you for your support!!**

***Brand Visibility in Website, Flyers, Banners, Programs and local Newspaper advertising***

The Athlete Warrior Challenge (AWC) and State Meet for levels 3 - 6 will be promoted through websites, flyers, electronic emails, social networking sites, newspapers and event programs. Banners will hang at the MCC Sports and Expo Center and at the Regional venue during the events, which will be moved to Olympia Gymnastics Academy and hang inside the gym throughout the year.

Sponsorship packages allow for color or full black and white advertisement in the Athlete Warrior Challenge Program Book. This provides additional brand visibility to attendees of this event with your company's advertisement.
